## OMAN CHAMBER OF COMMERCE & INDUSTRY

Registered Contractor · Sohar Industrial Area, Sultanate of Oman · Serving since 2025

# VISION & MISSION

## OUR VISION

To be the partner of choice in Oman and the GCC for industrial insulation and construction services — recognized for safety, innovation, and operational excellence.

## OUR MISSION

- Uncompromising safety standards
- Superior quality and technical expertise
- Client-centric execution and value creation

## OUR STRATEGIC PILLARS

### SAFETY

Zero-harm workplace

### QUALITY

ISO 9001:2015 certified

### INNOVATION

Continuous improvement

### PEOPLE

Skilled & trained workforce

# CORE VALUES

01

## SAFETY FIRST

We are committed to a zero-harm workplace. Every task begins and ends with safety as our top priority.

02

## INTEGRITY & TRANSPARENCY

We operate with honesty and full accountability — building trust through transparent communication.

03

## QUALITY COMMITMENT

We deliver excellence in every project, meeting and exceeding international standards consistently.

04

## CLIENT SATISFACTION

We build long-term client relationships by understanding needs and delivering measurable value.

05

## CONTINUOUS IMPROVEMENT

We innovate, adapt, and evolve — driving better performance, efficiency, and outcomes.

05

## CONTINUOUS IMPROVEMENT

We innovate for better performance and efficiency.

# OUR STRENGTHS

## ISO CERTIFIED

Processes fully aligned to ISO 9001, 14001 & 45001 international standards.

## OMAN COMPLIANCE

Fully registered and compliant with Oman regulatory and authority requirements.

## 50+ PROFESSIONALS

Skilled, trained, and certified workforce ready to deliver on any challenge.

## PROVEN EXPERIENCE

20+ years executing projects for Oman's leading industrial operators.

## ON-TIME DELIVERY

98% on-time project delivery rate – reliability you can plan around.

## TURNKEY SOLUTIONS

End-to-end capabilities from planning and procurement to execution and handover.

# OUR CORE SERVICES

Complete industrial solutions delivered with precision, safety, and quality.

## 01 INDUSTRIAL INSULATION

Pipelines, tanks & equipment

## 02 THERMAL INSULATION

Hot & cold systems

## 03 DUCT INSULATION

HVAC & process ducts

## 04 PROTECTIVE COATING

Anti-corrosion systems

## 05 FIREPROOFING

Passive fire protection

## 06 SURFACE PREPARATION

Sandblasting & treatment

## 07 SCAFFOLDING SERVICES

Access & maintenance

## 08 CONSTRUCTION SERVICES

Industrial & civil works

# THERMAL INSULATION

## OVERVIEW

We provide advanced thermal insulation solutions for pipelines, tanks, and industrial equipment operating under extreme temperature conditions across Oman's oil & gas, petrochemical, and power sectors.

### KEY BENEFITS

- Energy efficiency improvement
- Significant reduction in heat loss and gain
- Enhanced process stability and control
- Reduced operational and maintenance costs
- Compliance with energy efficiency standards

# DUCT INSULATION

## OVERVIEW

Professional HVAC and process duct insulation services designed to optimize system performance. We serve commercial, industrial, and marine facilities with precision installation and long-lasting material selection.

### KEY BENEFITS

- Condensation control in humid environments
- Improved indoor air quality and comfort
- Measurable energy savings
- Reduced noise transmission through duct walls
- Extended equipment lifespan

# FIREPROOFING SOLUTIONS

## OVERVIEW

Passive fire protection systems engineered to protect structural steel, process equipment, and critical infrastructure. Our fireproofing solutions meet international standards and are approved by Oman Civil Defense.

## KEY BENEFITS

- Structural protection in fire scenarios
- Full code and regulatory compliance
- Intumescent and cementitious system options
- Approved by Oman Civil Defense Authority
- Extended fire resistance ratings

# INDUSTRIAL PROTECTIVE COATING

## OVERVIEW

High-performance industrial coating systems that protect assets from corrosion, chemical attack, and harsh environmental conditions. Applied by certified applicators using premium materials from approved suppliers.

### KEY BENEFITS

- Superior corrosion resistance
- Extended asset and infrastructure lifespan
- Chemical and abrasion protection
- Compliance with client coating specifications
- Reduced maintenance frequency and cost

**SERVICE**

# SURFACE PREPARATION

## OVERVIEW

Industrial-grade surface cleaning and preparation ensures maximum coating adhesion and long-term performance. Our teams operate specialized blast equipment to achieve required surface profiles as per project specifications.

### KEY BENEFITS

- Abrasive sandblasting to Sa 2.5 standard
- Surface profile creation and verification
- Chemical surface treatment
- Dust and debris containment
- Profile measurement and documentation

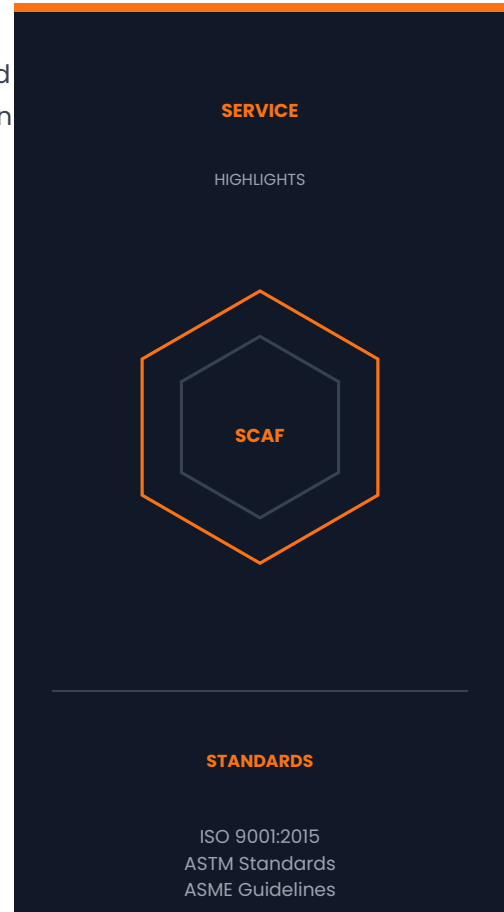

# SCAFFOLDING SERVICES

## OVERVIEW

Safe, engineered scaffolding solutions for industrial maintenance, inspection, and construction access. All scaffold systems are erected and dismantled by certified scaffolders in accordance with OSHA and NEBOSH-aligned protocols.

## KEY BENEFITS

- CISRS/BSIF certified scaffold workforce
- Full compliance with international safety standards
- Efficient and cost-effective access solutions
- Load-tested and inspected before use
- Available for both short and long-term hire

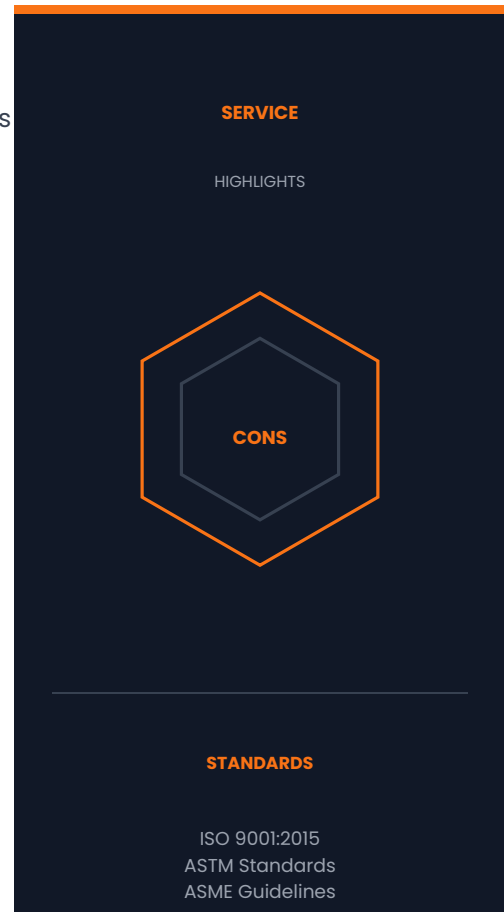

# CONSTRUCTION SERVICES

## OVERVIEW

Comprehensive industrial and commercial construction services from initial planning and design through to final handover. Our civil construction team delivers turnkey projects on schedule and within budget across Oman.

## KEY BENEFITS

- Industrial building construction
- Civil and structural works
- Turnkey project execution
- Fit-out and finishing works
- Post-construction maintenance support

# INDUSTRIES WE SERVE

## OIL & GAS

Upstream, midstream and downstream operations

## PETROCHEMICAL

Refineries and processing facilities

## POWER PLANTS

Thermal and renewable energy facilities

## MANUFACTURING

Heavy and light industrial facilities

## MARINE & SHIPBUILDING

Ports and vessel maintenance

## COMMERCIAL BUILDINGS

Offices, malls and complexes

## INFRASTRUCTURE

Roads, bridges and public works

# WHY CHOOSE SHOBHA

**01**

## **SAFETY-FIRST CULTURE**

---

Every operation begins with a safety briefing. Our zero-harm commitment is non-negotiable.

**02**

## **ISO CERTIFIED QUALITY**

---

Our QMS is aligned to ISO 9001:2015, ensuring consistent and auditable quality control.

**03**

## **COMPETITIVE PRICING**

---

We deliver premium quality within budget through efficient planning and procurement.

**04**

## **EXPERIENCED WORKFORCE**

---

Our team comprises skilled professionals with hands-on industry certifications.

**05**

## **RELIABLE EXECUTION**

---

98% on-time project delivery backed by rigorous scheduling and supervision.

**06**

## **LONG-TERM PARTNERSHIPS**

---

We invest in client relationships, delivering value beyond the project scope.

# HEALTH, SAFETY & ENVIRONMENT

## ZERO-HARM WORKPLACE — NON-NEGOTIABLE.

Safety is embedded in our culture, not enforced as a policy. From site induction to final inspection, every team member operates under a framework of rigorous risk management and personal accountability.

### OUR HSE APPROACH

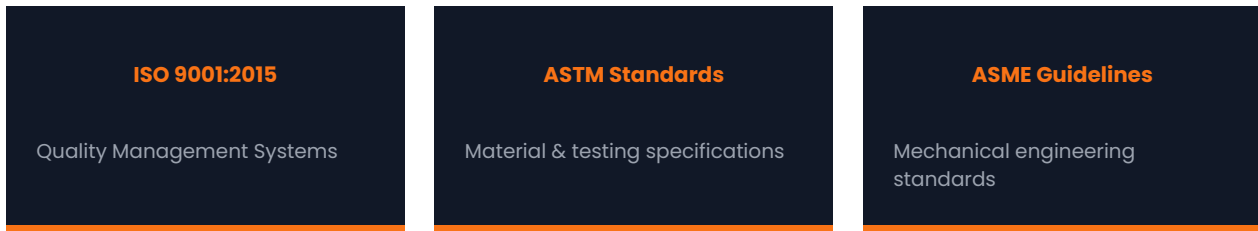

01	<b>RISK ASSESSMENT</b> Comprehensive hazard identification and risk mitigation planning for every scope.
02	<b>TOOLBOX TALKS</b> Daily pre-shift safety briefings reinforcing awareness and task-specific procedures.
03	<b>PPE COMPLIANCE</b> 100% personal protective equipment compliance enforced on all active worksites.
04	<b>SAFETY TRAINING</b> Regular upskilling on emergency response, first aid, and hazard recognition.
05	<b>AUDITS &amp; INSPECTIONS</b> Scheduled and unannounced safety audits to ensure sustained compliance.

# QUALITY ASSURANCE & CONTROL

## OUR QUALITY PROCESS

## STANDARDS & GUIDELINES

*"Quality is not an act – it is a habit. Every deliverable is inspected, documented, and verified."*

# CERTIFICATIONS & COMPLIANCE

## ISO 9001:2015

## LEADERSHIP

# MESSAGE FROM THE MANAGING DIRECTOR

---

At Shobha Insulation, we understand the challenges of the industrial sector in Oman. From extreme environmental conditions to tight project deadlines, our team is equipped and motivated to deliver reliable, high-quality solutions that stand the test of time.

We don't just execute projects — we build trust, ensure safety, and deliver excellence every time. Our commitment to our clients goes beyond the contract: we are partners in your operational success.

As we look to the future, we remain committed to expanding our capabilities, investing in our people, and continuing to raise the bar for industrial services across Oman and the wider GCC region.
